

## Timber Clad Buildings

- Thermowood Cladding
- Other Hardwood Cladding
- Cedral Lap Cladding
- Painted Softwood Cladding

Timber cladding and other alternative external cladding options are available on all our bespoke built units including Jackleg or Skid-Mounted Cabins, Steel Cabins and Modular Buildings.

Our Timber Clad Buildings and other External Cladding options offer an alternative aesthetic appearance and give the ability to either match or blend in your portable building with the surrounding structures or environment.
